

**U.S. Colleges and Universities with Smokefree Air Policies**

Note: While it has become relatively common for colleges and universities to have policies requiring that all buildings be smokefree with the exception of residential housing, this list only includes those colleges and universities with either smokefree residential housing, with entirely smokefree campuses, or with entirely smokefree campuses with a minor exemption for smoking in limited, remote outdoor areas.

July 1, 2009

**Colleges and Universities with Smokefree Policies: Entire campus, both indoors and out**

*Below is a partial list of U.S. colleges and universities that have enacted 100% smokefree campus policies. There are now at least **305** 100% smokefree campuses with no exemptions. Residential housing facilities are included, where they exist.*
